

**Position:** Media Production Intern

**Application deadline:** Winter semester: 30<sup>th</sup> June , Spring semester: 14<sup>th</sup> December

**Duration:** 2-4 months

**Language skills:** Fluent spoken and written English

**Location:** University of Humanities and Economics (AHE) in Lodz/ Poland

**Website:** <https://www.ahe.lodz.pl/en/study-in-english> ; <https://erasmusplus.ahe.lodz.pl/en/>

We are looking for a self- motivated and highly self driven intern with strong communication skills with a keen interest in media production supporting both International Studies Centre (ISC) and International Projects Department (Erasmus+ Office).

#### **Your role**

Working as a support for media related initiatives within ISC and Erasmus+ Office, the role will consist of providing support for social media content production. This is a great opportunity to work at a free field at your own responsibility and join a young, creative and dynamic team in a phase of growth while gaining experience in working with international groups.

#### **Your qualifications**

- Basic knowledge in camera usage and postproduction programs (for example: Photoshop, PremierePro/FinalCut/AVID, InDesign etc.)
- Self driven work flow (freelance activities) and strong communication skills, as well as good English skills also, creative and open minded

#### **Your responsibilities**

- Support for Marketing Department in content creation for the International Studies Centre and Erasmus+ Office (promotional materials about AHE, Lodz,Poland ) targeted at international incoming students.
- Support the Arterion (AHE' s technological incubator in the process of media production) within different projects, support the dean of Media Production and Culture Studies if needed.
- Participate in different events, activities in AHE and Lodz in order to create a material for future productions.

#### **We offer**

- A friendly and international environment valorizing the sense of initiative and creativity.
- Free coffee, tea and some snacks
- Free card for public transportation (3 months)
- Gaining practical skills in self managed media production
- Possibility to join free classes at AHE

#### **Testimonial**

“Staying in Lodz and working for the AHE was a great experience. I was able to evolve more skills in my profession in a free field. I had the opportunity to meet a lot of international students while working with different faculties in the university. The people at AHE are very helpful and provide a peaceful spirit. The city itself is a very interesting place to be: heavily historical, sometimes rough and sometimes beautiful. If you have the chance to get here and discover this place, I highly recommend you should! But don't forget to bring your jacket ...“
